3. On September 15, 2019 and September 16, 2019 (the “Petition Date”), the Debtors commenced voluntary cases under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Eastern District of Pennsylvania (the “Court”).

4. On April 8, 2020 (the “Appointment Date”), the Court entered the *Order Authorizing Appointment of Independent Fee Examiner Pursuant to 11 U.S.C. § 105(a) and Modifying Interim Compensation Procedures for Certain Professionals Employed Pursuant to 11 U.S.C. 327* [Docket No. 1023] (the “Fee Examiner Order”). The Fee Examiner Order directed the U.S. Trustee to appoint David M. Klauder to serve as the Fee Examiner in these cases.

 - i. providing such other services as the Fee Examiner may request

7. Bielli & Klauder will not duplicate the work performed by the Fee Examiner or any other professionals retained by him.

8. The employment of Bielli & Klauder is in the best interests of the Debtors' estates and of these cases as a whole because it will aid in the Fee Examiner's analysis of fees and expenses, provide another point of contact for the Retained Professionals, and augment the Fee Examiner's ability to properly and efficiently analyze a large volume of fee and expense requests within appropriate time frames.

CONNECTIONS WITH PARTIES IN INTEREST

9. Bielli & Klauder completed a conflict check through the firm's conflict check system that compared, to the extent then known, the parties listed on the conflict check list, which is attached hereto as Exhibit 1, against a list of Bielli & Klauder's current and former engagements and clients. In addition, emails were sent to all attorneys in the firm asking if they had any connections to the parties in interest listed herein. The connections checklist is attached hereto as Exhibit 2.

10. Except as disclosed herein, to the best of my knowledge, information and belief, neither I nor any member of Bielli & Klauder has any connection with the Debtors, creditors, any other party in interest, their respective attorneys and accountants, the United States trustee, or any person employed in the Office of the United States Trustee, except as set forth herein. The Fee Examiner is employed with Bielli & Klauder as an attorney. Bielli & Klauder will supplement this Declaration to the extent any other connections are determined.

11. I and members of Bielli & Klauder have consumer accounts with various interested financial institutions and utilities, none of which are material.

12. I and members of Bielli & Klauder have represented parties that have been adverse to certain parties in interest in this case, but none of those representations have been in any way connected to or related to the Debtors or these bankruptcy cases.

13. The Fee Examiner is currently serving, or has served, as fee examiner in the following cases, all of which were filed in the United States Bankruptcy Court for the District of Delaware: *In re Paragon Offshore plc, et al.* chapter 11 cases (Lead Case No. 16-10386 (CSS)), *Prospector Offshore Drilling S.à r.l., et al.* chapter 11 cases (Lead Case No. 17-11572 (CSS)), *Drone LC, Inc. (f/k/a Lily Robotics, Inc.)* chapter 11 case (Case No. 17-10426), and *In re TerraVia Holdings, Inc., et al.* chapter 11 cases (Lead case No. 17-11655 (CSS)); *In re Aerogroup International Inc., et al.* chapter 11 cases (Lead Case No. 17-11962 (KJC)); *In re Forever 21, Inc., et al.* chapter 11 cases (Lead Case No. 19-12122 (MFW)). In addition, some of the professionals involved in those cases are involved in the Debtors' cases as well.

14. To the best of my knowledge, information and belief, neither I nor any member or attorney of my firm, holds or represents any interest adverse to the Fee Examiner and the Debtors or the bankruptcy estates which would disqualify it from representing the Fee Examiner, and Bielli & Klauder is a disinterested person as defined in 11 U.S.C. § 101(14).

15. Furthermore, to the best of my knowledge, information and belief, neither I nor any member of my firm is a relative of any of the judges who serve at the United States Bankruptcy Court for the Southern District of New York, including Judge Robert D. Drain, the presiding judge in this case.

PROFESSIONAL COMPENSATION

16. Bielli & Klauder has advised the Fee Examiner that it intends to apply to the Court for compensation and reimbursement of expenses in accordance with the applicable provisions of the Bankruptcy Code, including sections 330 and 331, the Bankruptcy Rules, the Local Rules, the U.S. Trustee Guidelines, and any interim compensation order entered in, or otherwise applicable to, these cases.

17. Both Bielli & Klauder and the Fee Examiner propose a monthly fee structure for

this engagement, which will cover the compensation and expenses for both Bielli & Klauder and the Fee Examiner. The proposed fee structure is as follows:

- a. Flat Fee of \$55,000.00 per month for the term of this engagement;
- b. An additional, initial one-time fee of \$125,000.00 to cover the immediate review of professionals' First Interim Fee Applications, which were approved by the Court on an interim basis, but the 20% holdback was not approved subject to the Fee Examiner's review of these fee applications³.

18. As noted, the flat fees will cover the compensation and expenses for the Fee Examiner and the professionals at Bielli & Klauder. In addition, the flat fee will cover the costs of Legal Decoder, Inc. ("Legal Decoder"), whose data analytics software the Fee Examiner plans to use to perform his analysis during this case. Legal Decoder will charge Bielli & Klauder the amount of \$24,750 per month for the use of its software during this case. In addition, with respect to the one-time fee of \$125,000 for the first interim fee application review, Legal Decoder will charge Bielli & Klauder the amount of \$56,250 for the use of its software for this period.

19. The flat fee compensation does not include:

- a. Travel and related expenses for anyone other than the Fee Examiner necessary for any court appearance requested by any party other than the Fee Examiner;
- b. Time spent by the Fee Examiner or anyone employed by the Fee Examiner which relates to responding to discovery requests of any type, or for any testimony, or for the preparation or of either. If such activities arise in the

³ The Fee Examiner is committed to performing an expeditious review of the First Interim Fee Application, and will commit to completing such review within sixty (60) days of a professional's submission to the Fee Examiner and Bielli & Klauder of electronic fee data (i.e. LEDES format) for the relevant time period. Because of the significant amount of work this will entail for these 60 days, including the continued review of fee applications that are filed in this case, the Fee Examiner insists on the additional fee to complete this review.

course of the fee examiner's appointment, they will be charged at the affected individual's then-currently hourly rate;

- c. Time spent by Legal Decoder's personnel for: preparation, normalization, reviewing, or manipulation of data or other information (both invoice data and professional biographical data) provided by professionals in non-LEDES format or not in compliance with data format and transfer requirements in the Fee Examiner protocol; attending (in person or telephonically) any conference, deposition, hearing or other meeting;
- d. If any of the activities covered by the preceding sub-paragraph are undertaken by Legal Decoder personnel in the course of the fee examiner's appointment, Legal Decoder will bill their time monthly at an hourly rate ranging from \$75 to \$325 per hour (based on such individual's expertise), and the aggregate total added to Bielli & Klauder's monthly flat fee, amount will then be paid directly to Legal Decoder; or
- e. time and expenses of any local counsel or other professional the Fee Examiner may hire to represent him in this matter subject to the appropriate application to be brought before this Court.

20. BK was retained by the Fee Examiner on the Appointment Date. BK has received no compensation related to the Debtors or this case either before or after the Fee Examiner retained BK.

21. Other than as set forth herein, there is no proposed arrangement to compensate BK. Other than the fee to Legal Decoder as described above, BK has not shared, nor agreed to share (a) any compensation it has received or may receive with any other party or person, other

than with the members, partners, counsel and associates of BK, or (b) any compensation another person or party has received or may receive.

22. In compliance with section D.1 of the United States Large Fee Case Guidelines, the following disclosures in paragraphs 23-26 are provided.

23. Did BK agree to any variations from, or alternatives to, its standard or customary billing arrangements for this engagement?

Answer: Yes. The monthly rate structure as set forth herein is different than Bielli & Klauder's customary billing arrangements for similar engagements.

24. Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Answer: No.

25. If BK represented the client in the 12 months prepetition, disclose its billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If BK's billing rates and material financial terms have changed post-petition, explain the difference and the reasons for the difference.

Answer: Bielli & Klauder represents the Fee Examiner in his capacity as a fee examiner in other cases. In those cases, Bielli & Klauder has billed at hourly rates for those engagements at its customary hourly fee structure of \$225 - \$375 per hour for attorneys, and \$150 per hour for paraprofessionals.

26. Has the Fee Examiner approved BK's prospective budget and staffing plan, and, if so, for what budget period?

Answer: The Fee Examiner and Bielli & Klauder will develop a prospective budget and staffing plan to comply with the U.S. Trustee's requests

for information and additional disclosures, and will work with the U.S.
Trustee to provide the appropriate information in this instance.

I declare under penalty of perjury that the foregoing is true and correct to the best of my
knowledge, information and belief.
